

VILLASIMIUS (SARDINIA)

29 JUNE - 6 JULY 2019

HOTEL PULLMAN TIMI AMA ★★★★★

Villasimius is a beautiful resort located on the South-Eastern coast of Sardinia. The white sand glimpses, the blue of the sea, the colours of the Mediterranean scrub create the ideal frame for a dream holiday. Villasimius kept its original connection with the sea: it is an ancient village of fishermen and could value its wonderful crystal clear sea and its long white sand beaches. Pullman Timi Ama Sardinia is an high quality resort, directly overlooking the sea, located inside the protected marine area of Capo Carbonara, in the South-Eastern extremity of the island, in an idyllic bay dominated by an Aragonese tower, shrouded in a Mediterranean vegetation. This stylish Hotel offers the ambiance and charm of traditional Sardinia, thalasso treatments and watersports. The three restaurants serve a choice of light meals, Sardinian specialities and international cuisine with a different theme every evening.
