VIESTE

3 - 10 AUGUST 2019, HOTEL PIZZOMUNNO ★★★★★

Vieste, also said “the pearl of Gargano” is the destination of our summer holiday on August. We have been immediately enchanted by its wonderful landscapes. L’Hotel Pizzomunno is in an ideal position: it overlooks the beach, at few steps from the sea, it is surrounded by a luxuriant pine forest, and in the meantime it is near the town.

The Hotel has a private beach and comfortable and elegant swimming pools. It is also equipped with wellness centre, and even with a cinema. The furniture is elegant and exclusive, a melting of antique and modern styles. Rooms are equipped with every comfort.

At the dinner table, Puglia’s flavours are conjugated with refined tastes of international gastronomy.
